

**How to reach the congress venue:  
Belvedere di San Leucio – Caserta**

**BY PLANE**  
Naples airport – Capodichino.  
Regular bus service Alibus connects Capodichino with Naples railway station in Piazza Garibaldi, where a regional train can be taken to reach Caserta

**BY TRAIN**  
Naples Central Railway Station is served by the high speed Frecciarossa trains; from Naples, regional trains run every day frequently to/from Caserta (travel takes approx 40 minutes). From the Caserta Railway Station, a taxi service is suggested to reach the Belvedere di San Leucio

**BY TAXI**  
Taxi service from Naples airport to Congress venue costs approx € 60-70.  
Taxi service from Caserta railway station to Congress venue costs approx € 15-20.

**BY CAR**  
From the main highways exit Caserta North highway A1 (Milano – Napoli), follow the signs to the center of Caserta and then to San Leucio (approx 15 min.)

in assisted reproductive technology**

**BELVEDERE DI SAN LEUCIO | CASERTA | ITALY | 7-8 JULY 2017**

SCIENTIFIC DIRECTORS  
**Dr. Raffaele Ferraro**, Genesis Day Surgery Iatropolis Caserta  
**Prof. Riccardo Talevi**, Department of Biology University of Naples "Federico II"

## DAY 1: FRIDAY, 7 JULY

- 13.30 Registration and light lunch
- 14.45 Welcome addresses by the Authorities:  
**Maria Erminia Bottiglieri**, Presidente Ordine dei Medici di Caserta  
**Ermanno Calcatelli**, Presidente Ordine Nazionale dei Biologi
- 15.00 Welcome and introduction  
**Raffaele Ferraro, Riccardo Talevi**
- SESSION I  
**Assisted reproduction today**  
Chair: **Raffaele Ferraro** – Caserta, Italy **Riccardo Talevi** – Naples, Italy
- 15.15 **Gianpiero Palermo** - New York, USA  
**The state of art of assisted reproduction**
- 15.45 **Yves Menezo** – London, England – Paris, France  
**A necessary place for basic research in order to improve ART treatments**
- 16.15 Discussion
- SESSION II  
**Challenges in assisted reproduction technology**  
Chair: **Rosanna Ciriminna** – Palermo, Italy **Fulvio Zullo** - Catanzaro, Italy
- 16.30 **Maria Giulia Minasi** – Rome, Italy  
**Could time-lapse potentially replace invasive PGS procedures for the detection of aneuploid embryos?**
- 16.50 **Liborio Stuppia** – Chieti, Italy  
**Epigenetics in fertilization and preimplantation embryo development**
- 17.10 **Csilla Krausz** – Florence, Italy  
**Genetics of male infertility: are we ready to discover the “hidden” genetic factor ?**

SIMULTANEOUS TRANSLATION

- 17.30 **Satish Adiga** – Manipal, India  
**Paternal influence of sperm DNA integrity on early embryonic development**
- 17.50 **Roberto Gualtieri** - Naples, Italy  
**Gamete handling and oxidative stress**
- 18.10 **Carla Tatone** - L’Aquila, Italy  
**Oocyte ageing: focus on energy metabolism**
- 18.30 Discussion
- 18.50 Free communication
- 19.30 Adjourn

## DAY 2: SATURDAY, 8 JULY

- SESSION III  
**Challenges in ovarian stimulation and embryo implantation**  
Chair: **Giuseppe De Placido** – Naples, Italy **Alfredo Nazzaro** – Benevento, Italy
- 09.00 **Carlo Alviggi** – Naples, Italy  
**LH supplementation to improve patients prognosis**
- 09.20 **Antonio Ferraro** – Caserta, Italy  
**Embryo transfer: a critical step in assisted reproductive technology**
- 09.40 **Jean Marie Wenger** – Geneva, Switzerland  
**Endometriosis and recurrent pregnancy loss**
- 10.00 Discussion
- 10.15 Refreshments

SIMULTANEOUS TRANSLATION

- SESSION IV  
**Challenges in fertility preservation**  
Chair: **Nicola Colacurci** – Naples, Italy **Roberto Gualtieri** – Naples, Italy
- 10.30 **Richard Anderson** - Edinburgh, Scotland  
**Ovarian function preservation in the cancer patients**
- 10.50 **Riccardo Talevi** - Naples, Italy  
**Challenges in ovarian tissue cryopreservation and in vitro culture**
- 11.10 **Salvatore Dessolet** – Sassari, Italy  
**Social freezing: are we ready?**
- 11.30 **Lodovico Parmegiani** – Bologna, Italy  
**New strategies in gamete cryopreservation**
- 11.50 **Gerardo Catapano** - Cosenza, Italy  
**Bioreactors and the future of assisted reproduction technology**
- 12.10 Discussion
- 12.30 ROUND TABLE  
**The impact of new technologies and regulation on the Future of Assisted Reproduction in Campania**
- Experts: **Gianni Baldini, Luigi Cobellis, Nicola Colacurci, Giuseppe De Placido, Cristofaro De Stefano, Raffaele Ferraro, Stefania Iaccarino, Alfredo Nazzaro, Salvatore Ronsini, Annalisa Salerno, Riccardo Talevi**
- 13.30 ECM evaluation test
- 13.45 End of the Congress

ORGANIZING COMMITTEE  
Dr. Raffaele Ferraro, Genesis Day Surgery, Iatropolis Caserta  
Prof. Riccardo Talevi, Department of Biology University of Naples “Federico II”  
Dr. Giuseppe Mondrone, Genesis Day Surgery, Iatropolis Caserta  
Dr. Francesca Fabozzi, Genesis Day Surgery, Iatropolis Caserta  
Dr. Antonio Ferraro, Genesis Day Surgery, Iatropolis Caserta  
Dr. Angela Prezioso, Genesis Day Surgery, Iatropolis Caserta

### FACULTY

Satish Adiga | Manipal, India  
Carlo Alviggi | Naples, Italy  
Richard Anderson | Edinburgh, Scotland  
Gianni Baldini | Florence, Italy  
Rosanna Ciriminna | Palermo, Italy  
Gerardo Catapano | Cosenza, Italy  
Luigi Cobellis | Caserta, Italy  
Nicola Colacurci | Naples, Italy  
Salvatore Dessolet | Sassari, Italy  
Giuseppe De Placido | Naples, Italy  
Cristofaro De Stefano | Avellino, Italy  
Antonio Ferraro | Caserta, Italy  
Raffaele Ferraro | Caserta, Italy  
Roberto Gualtieri | Naples, Italy  
Csilla Krausz | Florence, Italy  
Stefania Iaccarino | Naples, Italy  
Yves Menezo | London, England – Paris, France  
Maria Giulia Minasi | Rome, Italy  
Alfredo Nazzaro | Benevento, Italy  
Gianpiero Palermo | New York, USA  
Lodovico Parmegiani | Bologna, Italy  
Salvatore Ronsini | Vallo della Lucania, Italy  
Annalisa Salerno | Benevento, Italy  
Liborio Stuppia | Chieti, Italy  
Riccardo Talevi | Naples, Italy  
Carla Tatone | L’Aquila, Italy  
Jean Marie Wenger | Geneva, Switzerland  
Fulvio Zullo | Catanzaro, Italy
